LANXESS: Price increase for Durethan base polymers and caprolactam

Cologne – Specialty chemicals company LANXESS is increasing its prices for Durethan base polymers (PA 6) and caprolactam effective February 1, 2020. The price adjustment applies to Europe. It is being made in response to the significant rise in raw material costs and amounts to EUR 120 per metric ton for each product.

LANXESS is a leading specialty chemicals company with sales of EUR 7.2 billion in 2018. The company currently has about 15,500 employees in 33 countries and is represented at 57 production sites worldwide. The core business of LANXESS is the development, manufacturing and marketing of chemical intermediates, additives, specialty chemicals and plastics. LANXESS is listed in the leading sustainability indices Dow Jones Sustainability Index (DJSI World and Europe) and FTSE4Good.
